WE LOOK FORWARD TO A FESTIVAL THAT CELEBRATES SPORT

We are extremely honoured that the EFCS chose Salzburg to host the European Company Sport Games for the second time since 2003. This also motivates us to offer our participants another unforgettable event.

The past few months have been intense: Planning and executing an event with 27 disciplines and over 320 competitions for more than 7,000 participants isn't something you do every day! Together with our many partners in sport clubs and associations, our team has done an excellent job of planning

the transport, entertainment and many other organisational details.

In the course of our preparations, we already had a lot of correspondence with athletes from the 23 participating nations. We were greatly encouraged by the joy, unity and mutual respect we experienced in this personal contact. And that is precisely what we are looking forward to most in the next few days: a sport festival with athletes from all over Europe peacefully united in their passion for sport.

ACCREDITATION

Participants are registered by the responsible person appointed by the company/club. This person receives accreditation IDs for all members of his/her group.

ACCREDITATION TERMINALS

The accreditation terminal in the Event Centre (Am Messezentrum 1) is open on Wednesday, 26 June 2019 from 9am to 10pm, and on Thursday, 27 June from 8am to 1pm.

On Wednesday, 26 June there will also be accreditation terminals at the Salzburg train station and Salzburg airport.

PARTICIPANT IDs

Athletes must keep their participant ID visible during the Games. The ID is only valid for the person for whom it was issued and is non-transferable! It allows you to make free use of the **public transport** in the greater Salzburg area (Obus, Albus, local train) and on certain routes in the surrounding regions (Postbus, S-Bahn), as well as the two **ECSG bus lines** and the **ECSG shuttles** for the golf and cycling events! In addition, you must present your accreditation ID to be admitted to the dinners and after-sport parties in the Event Centre free of charge.

FOOD & BEVERAGES

During the day, the restaurants at the venues offer a great range of food and beverages. Lunch is not included in the participation fee. Dinner – a sumptuous buffet provided by Kongress Gastronomie Salzburg – will take place in Hall 10 of the Event Centre (Wednesday, 26 June, from 2pm; 27–29 June, from 6pm). Only participants of the ECSG Salzburg 2019 will be admitted to dinner and the after-sport parties (Hall 10, see also p. 15).

Please note: You will only be admitted if you can present your participant ID, so please don't forget to have it on you in the evenings!

On arrival day, dinner will already be available from 2pm at the Event Centre (Messezentrum Salzburg).

CLOSING CEREMONY on Saturday, 29 June 2019

On Saturday, 29 June the ECSG Salzburg 2019 will formally end with a closing ceremony starting at 8pm.

This grand event will be held in Hall 10 of the Messezentrum. A short video will provide an overview of sporting highlights and fun moments from the ECSG Salzburg 2019. The closing ceremony will end with the formal handover of the EFCS flag to the representatives from Arnheim, which will host the European Company Sport Games in 2021.

Like on the other evenings, various show bands will provide musical entertainment and ensure that everyone has an unforgettable time.

OPENING GALA ON WEDNESDAY, 26 JUNE 2019

The Opening Gala will take place in Salzburg's historic centre and will represent Salzburg not only as a city of culture but also a city of sport. The main focus is on uniting athletes from all over Europe in their passion for sport.

MEETING POINT IS KAPITELPLATZ AT 7 PM

The gala itself will take place on Residenzplatz. Participants are asked to gather at the nearby Kapitelplatz from 7pm. There, the ECSG team will organise the participants into groups according to nationality. These will then – at the beginning of the ceremony at 8pm – parade into Residenzplatz in alphabetical order.

GETTING TO THE OPENING GALA

The best option would be to walk there (from the centrally located hotels) or

to use public transport (Obus/Albus). If you decide to take public transport, please get off at the Hanuschplatz, Rathaus or Mozartsteg bus stops and then walk to the Residenzplatz. After the opening gala, these buses will also take you back to your accommodation. Please use the ECSG app to find the exact times.

The last public transport (Obus and Albus) leave at around 10.45pm. Please check the exact departure times in advance on the ECSG app.

Charming.

More than welcome

AFTER SPORT: GOOD TIMES AT THE AFTER-SPORT PARTIES

After-sport party on 27 June:

The **First Line Band** will provide musical entertainment at the after-sport party on Thursday, 27 June. Starting at 8pm, they will be playing oldies but goldies from the 60s, 70s and 80s, as well as current top hits. Party people can also look forward to **Walter Schachner & Friends**, who have shared the stage with many international stars and will create a fun atmosphere in the hall with the sounds of schlager music.

After-sport party on 28 June:

The **Mitterling Buam** will perform at the after-show party on Friday, 28 June. This

band from Grossarl will be serving jaunty Austrian folk music and schlager and give their audience a taste of local culture. The bands that performed the previous night will also make an appearance.

After-sport party on 29 June:

The after-sport party on Saturday, 29 June 2019 presents an absolute highlight in the Messezentrum: **Smash** is one of the best show and party bands in the German-speaking area. It consists of six band members, two of whom have sung in the finals of the Eurovision Song Contest.

ECSG CITY RUN

Distances and routes

City Run participants can choose between two distances. Depending on your mood and level of fitness, you can choose whether you want to run the 5km or 10km distance during the race itself. The course initially leads along the Glan stream and affords a stunning view across the Leopoldskroner Weiher to Schloss Leopoldskron and

Hohensalzburg Fortress. While the 5km runners are already nearing the end of their course, the 10km runners still need to run over the Mönchsberg and pass Mönchstein Castle. After that, the course leads back through the city to the finish area.

Runners participate in the race at their own risk.

GREEN EVENT SALZBURG – BE A PART OF IT!

Environmental protection, climate change, mountains of plastic waste – these pressing issues have been a top priority for a while now. Because they are also a concern of ours, we have decided to make the ECSG Salzburg 2019 a Green Event! This is a first in the 42-year history of the European Company Sport Games! The main criteria are: use of seasonal, regional and, preferably, organic foods, promotion of environmentally friendly mobility, avoidance of plastic waste and PET bottles, meticulous collection and separation of waste, economical use of resources, etc. We took account of all of these points when planning and implementing aspects within our immediate sphere of influence. In addition, we encouraged our partners at the sport venues to be mindful of these issues and to adapt their offers accordingly.

Our goal and your contribution:

- Use the environmentally friendly public transport, the ECSG buses and shuttles during the Games.
- Bring your own bottles and avoid using PET bottles during your stay in Salzburg. Austria has excellent drinking water. You can refill your bottle at any tap – also at our sport venues!
- Dispose of your waste by separating it and putting it into the designated containers.

We hope that our participants care about the environment as much as we do and are happy to do their bit. The larger the number of people following the recommendations, the more successful and forward looking the 22nd European Company Sport Games will be – and a role model for other sport events.
